

IMPACT REPORT 2019

LETTER FROM THE FOUNDERS

Looking back on 2019, we reflect with gratitude to our donors and supporters who allow us to continue our programs which transform the quality of life for at risk and orphaned children and youth in their communities in Kenya.

In 2019, we broke ground on 6 new projects, Co-Founder Pollyanna traveled to Kenya to visit our partners, we added a new partner and held our 4th reintegration training.

Our 2019 Kitechild Green Gala was also a huge success! Thanks to the generosity of many, we achieved 60% funding for our sustainable projects in Kenya in 2020.

Jacqueline Herrera & Pollyanna Uruena
